

REVIEW of SUPPLEMENTS to CR-WMA-1-0-03

1. **General**

This Chapter contains supplementary information on the optional equipment which is installed in the airplane.

The information given in this Chapter complete or supersede the basic Maintenance Manual in those sections as specified. Where not otherwise stated, information shown in the basic Maintenance Manual remains effective. Each Supplement consists of a Title Page, Record of Revisions, List of effective pages and the proper text.

2. **List of supplements**

No.	Content	Note
01	Cockpit Light Replacement	Minor Change approval No.10060557 20 December 2016
02	Installation of Dynon SkyView System with the SV-HDX1100 display in the PS-28 Cruiser airplane	Major Change approval No.10066844 11-Sept-2018

3. List of airplane S/N covered by the supplement

Airplane model	Serial No.	Supplement. No.	Note
PS-28 Cruiser and SportCruiser / PiperSport – operating under EASA	Valid from S/N C0591	01
